Ex-Augural Address

By Roland J. Desrochers

Delivered on January 7, 1963

Three years ago, at the age of thirty three, I stood here before you as one of Franklin's youngest Mayors, and delivered my first Inaugural Address in which I outlined some of my thoughts about the needs of the city. At that time I told you that we would spend whatever money was necessary for the efficient and economical operation of this city. I sincerely believe we have done just that. We could spend a lot of time reviewing the past three years but I am sure that you know as well as I do what has been accomplished here in Franklin.

During my three terms in office I have made many recommendations to the council, most of which have been adopted. All of these I can stand by and justify against any criticism either public or private. I am not ashamed . . . I am proud . . . of any action which I have undertaken as Mayor. I sincerely believe that the City of Franklin has had three years of continued progress and growth and I have every faith that it will be continued in the future.

These past three years have been enjoyable ones for me. My service as Mayor has been an experience and an education which I consider invaluable and which cannot be obtained anywhere else. For this I am very grateful and I thank each and every one of you for having given me the opportunity to serve as your Mayor.

I want to express my sincere appreciation to all of the city officials and in particular to the members of the council over the past three years for the splendid cooperation and assistance they have given to me as Mayor.

To all of you I extend my very best wishes for a very Happy and Prosperous New Year.

Inaugural Address

By Donald W. Cushing

Delivered on January 7, 1963

Father Houde, Reverend Armitstead, Members of the Council, Officers of the City, fellow citizens, Ladies and Gentlemen:

You have bestowed on me the high honor of being the Mayor of your city and mine for the year 1963. I sincerely thank you, the citizens of Franklin, for electing me as your Mayor. I accept this trust with its many responsibilities with a feeling of humility. It is my firm purpose to carry out this trust to the best of my ability, and I shall work hard to merit the confidence you have placed in me. I wish to thank all of you who voted for me and the many persons who have extended to me their congratulations and best wishes.

As I assume the office of Mayor, I am mindful of the thirty-one persons who faithfully served the people of Franklin in this same office before me. For the past three years the City has been under the capable leadership of Mayor Roland Desrochers. I have had the pleasure of working with him, and so I know personally that he has been an outstanding Mayor. Under his leadership, the City has been operated in a sound business-like manner. Mayor Desrochers and the members of the City Council that have served with him are deserving of your deepest appreciation. In behalf of the people of Franklin, I thank them for a job well done.

The economic health and general welfare of every city depend to a large extent on the manner in which its fiscal affairs are directed. It is imperative that each tax dollar be spent carefully and wisely in order that governmental services be provided at a minimum cost. In 1963 the sound business practice of budgeting expenditures will be continued. In order that a budget be adopted as early as possible, I hereby request all department heads to submit their proposed budgets for 1963 to the Finance Committee not later than February first.

The budget requests of each department will be carefully reviewed by the Finance Committee. It is apparent at this time that any increase in budget requests above the 1962 figures will result in an increase in the tax rate. I feel that any proposed expenditures that are not clearly necessary should not be approved. Present city services will not be cut back in order to save money. In my opinion this is false economy.

The people of Franklin and the heads of the several departments of the City, in particular, should become aware of the tax picture for 1963. At this time it appears that the tax rate in 1963 will be at least two dollars higher than in 1962. The reason for this expected rise is that the

first payments for principal and interest on bonds issued for the construction of the high school addition will become due in 1963. Payments on principal will be \$26,000 and payments on interest will be \$14,652. The net increase in the city budget for payments on bonds and bond interest in 1963 will be in excess of \$30,000. This amount represents approximately two dollars on the tax rate based on the present ratio of total appropriations to total property assessments. It is my understanding that the School department will request increases in its budget totalling at least \$20,000. If granted, this increase will raise the tax rate an additional amount.

While it is hoped that some of these increases can be off-set by savings in other areas, at the present time this does not appear to be possible.

This tax picture makes extremely clear the necessity of watching expenditures closely in 1963. It also emphasizes the dilemma faced by the City of Franklin along with towns and cities throughout the State of New Hampshire, namely, that of trying to meet the un-ending rising cost of government while at the same time keeping the property tax below the point where it will become an impossible burden.

The need for new sources of revenue by the cities and towns in New Hampshire is urgent. It is time for the State of New Hampshire to make use of its taxing powers to provide this revenue. In my opinion, such new taxes should be assessed in accord with the ability to pay. Many studies have been made pointing out the need for tax reform. I hope that our legislature will initiate this much needed tax reform now.

New industry is also needed to improve our tax picture by providing more taxable property to share the tax burden and by providing more jobs. Many new industries have come to Franklin due to the untiring efforts of the officers and members of Franklin Developments, Chamber of Commerce and other civic minded persons. The City of Franklin is deeply indebted to them for the good job they have done and are continuing to do. The Mayor and Council has cooperated with them in their efforts to obtain new industry, and we shall continue to use the resources of the city to encourage the establishment of new industry and the growth of industries we now have.

A good school system is one of the keys to industrial growth. We cannot expect people to move to Franklin if we do not have the facilities to educate their children. The people of Franklin have schools of which they can be justly proud. A feeling of mutual understanding and confidence has grown between the city government and the school department. This has created a healthy atmosphere for solving problems involving the education of our children. In 1963 I will do all in my power to continue this healthy atmosphere.

Streets and sidewalks properly maintained are essential to the

economic health of any community and to its beauty. Progress has been made in improving some of our streets, but lack of money has been an obstacle in trying to bring all of them into proper repair. In 1963 we will do all we can to bring our streets up to standard, but it is apparent that it will take more than one year to do the whole job. In 1963 I hope that a definite long-range program can be initiated which will put all our streets in good condition within the next several years. I will recommend that Central Street be re-paved between Daniell Bridge and Sanborn Bridge this year.

I believe that it is good business to replace highway and other equipment on a regular basis in order that equipment is not retained beyond its useful life and so that the cost of replacing equipment will not be too great in any one year. Two trucks have been purchased for the highway department which will be paid for from the 1963 appropriation.

It is my opinion that the city is in need of a zoning ordinance. The use of land must be regulated to insure that the city will grow in an orderly and efficient manner. It is apparent that there is a great lack of understanding about the purposes of zoning and how it works. I will recommend to the Council and to the Planning Board that a series of informational programs be held in 1963 in order that the matter of zoning be understood by all. These programs should precede any further action by the council on a zoning ordinance.

I wish to thank the members of the Planning Board for the many personal sacrifices they have made and the innumerable hours they have devoted to the drafting of a zoning ordinance. I sincerely hope that they will continue the work which they have so well begun, and in due course present a zoning ordinance to the City Council and thereby give the Council the opportunity to make a final determination on the question of zoning.

While your city government plays a very important role in the welfare and growth of the City, it should be remembered that you, the citizens of Franklin, have an important part to play also. It has been said, and I think it is true, that a city is the summation of all its citizens. Whatever your station in life may be, your daily actions will reflect to the credit or discredit of your city. In 1963 I hope that all of us will have more civic pride and community spirit. I believe that community spirit is the magic potion which can make Franklin the best place in which to live rather than just another place in which to live. In 1963 the City will do all it can to help you, and we hope that you will do all you can to help your city.

In the coming months I will sincerely appreciate your cooperation, your suggestions and above all, your prayers.

Best wishes to all of you for a Happy New Year.

Auditor's Report

CITY OF FRANKLIN, NEW HAMPSHIRE

FOR THE YEAR 1963

January 24, 1964

To the Honorable Mayor and City Council
City of Franklin
Franklin, New Hampshire

Gentlemen:

Complying with our agreement and in accordance with the City Ordinances, I have made an examination of the books and underlying records of the City of Franklin for the year ended December 15, 1963 and in this connection I am submitting my report consisting of exhibits and supporting schedules.

SCOPE OF AUDIT

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and of the supporting evidence as was considered necessary under the circumstances. Verification letters were mailed to a substantial number of outstanding Property and Poll Taxes. Except for the Taxes Accounts Receivable and some year-end adjustments, the general books of the City are kept on a cash basis and hence reflect cash receipts and disbursements only.

BALANCE SHEET — GENERAL FUND

EXHIBIT A

The Balance Sheet, General Fund, discloses the financial condition of the City of Franklin as at the close of business December 15, 1963. The Comparative Balance Sheet, Exhibit A, Schedule 3, shows the increases and decreases in the various accounts between the years 1962 and 1963.

CASH ON HAND AND IN BANK — \$48,218.75

The cash on hand was verified by count while the cash in the bank was reconciled to both the bank statement and the independent confirmation received directly from the depository. All checks returned by the bank during the period under review were compared with the cash disbursements records and the receipts were traced to the bank deposits.

ACCOUNTS RECEIVABLE — \$254.36

ACCOUNTS RECEIVABLE —

PARKING AREA CONTRACTS — \$2,819.70

A listing of the uncollected accounts was in agreement with the General Ledger control. The Accounts Receivable, Parking Area contracts, are aged as follows:

1960	\$522.40
1961	709.90
1962	832.90
1963	754.50
	<hr/>
	\$2,819.70

Some of the balances represent amounts due from firms no longer carrying on business in Franklin and I would recommend that the Council charge these amounts off as uncollectible.

TAXES RECEIVABLE — \$111,004.74

Exhibit A, Schedule 1 shows the activity in the tax account and the differences between the control and the balances were verified. The cash receipt stubs representing collections on Poll, Property and Head Taxes were checked to the cash receipts records. Postings to the Tax Warrants were also tested as well as abatements issued on Property and Poll Taxes. Several hundred verification letters were mailed to the open accounts and any differences reported to me were thoroughly investigated. A substantial number replied concurring with the balances carried on the books.

The 1963 Tax Warrant was completely footed and reconciled to the control. The tax rate of \$51.60 per thousand as approved by the State of New Hampshire Tax Commission was confirmed by direct correspondence. Approximately 88% of the 1963 Property Tax was collected.

UNREDEEMED TAX SALES — \$13,938.84

PROPERTY ACQUIRED BY TAX DEED — \$1,508.62

These items were accepted as shown on the books and represent property acquired because of nonpayment of taxes.

HEAD TAXES RECEIVABLE — \$5,645.00

A listing of the Head Taxes Receivable was in agreement with the controlling account. When collected these taxes are paid to the State of New Hampshire. A substantial number of the unpaid Head Taxes were circularized along with the Poll Taxes.

TEMPORARY LOANS IN ANTICIPATION OF TAXES — \$100,000.00

NOTES PAYABLE — FRANKLIN NATIONAL BANK — \$3,706.32

The First National Bank of Boston verified the balance due them in Anticipation of Taxes and the Franklin National Bank independently confirmed the balance of Notes Payable outstanding as at December 15, 1963.

RESERVE FOR HEAD TAXES — \$6,320.00

The Reserve for Head Taxes records the City's liability to the

State of New Hampshire on the 1963 Head Taxes and is liquidated with the receipts from the Head Tax Levy.

PARKING METERS — \$8,903.05

This caption represents the balance in the Parking Meter account after being charged with various expenditures and transfers approved by the Council.

UNEXPENDED BALANCES CARRIED TO 1964 — \$934.62

Schedule 2C details the balances carried to 1964.

SURPLUS — \$61,606.60

Exhibit A, Schedules 2, 2A and 2B show the results of budgetary operation for the current year and further support the amount transferred to Surplus. The increase in the Surplus account is largely attributable to the excess of Actual Revenue over Estimated Revenue and the Unexpended Appropriation Balances even though a transfer of \$10,000 to the Surplus account was made to the 1963 budget.

BALANCE SHEET — GENERAL INDEBTEDNESS

EXHIBIT B

Exhibit B, Schedule 1 details the City's liability with respect to bonds and long-term notes as a December 15, 1963.

The cash in the various banks was reconciled to both the bank statements and the independent confirmation received from the depositories.

All bonds and coupons cancelled during the year were produced for my inspection.

BALANCE SHEET — TRUST FUNDS

EXHIBIT C

The Balance Sheet, Trust Funds, records the Assets and the sources of such Assets in the custody of the trustees of the Trust Funds.

CASH IN THE BANKS — \$41,519.42

Cash in the commercial banks was reconciled to the bank statements and the direct verification from the depositories, while the cash in the savings accounts was verified by an examination of the passbooks and the confirmation from the savings banks.

INVESTMENTS — \$164,099.40

The securities shown on Exhibit C were examined in the presence of a trustee of the Trust Funds.

OVERSEER OF THE POOR — STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

SCHOOL DISTRICT — STATEMENT OF CASH RECEIPTS AND DISBURSEMENT

PUBLIC LIBRARY — STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

I examined the books and records of the above departments and reconciled the bank statements as at the end of the year. All checks cancelled during the year were compared with the cash disbursements records.

PAYROLL

All payroll checks cancelled during the year were examined and the payroll charges proved to the payroll accounts.

CITY CLERK

I tested the books and records in the office of the City Clerk and traced the daily register tapes to the cash receipt books. In addition, I tested the entries on the automobile permits, dog licenses, as well as other business licenses.

I wish to express my appreciation to all the City Officials and the members of their staffs for the cooperation and courtesies extended during the audit.

Respectfully submitted,

LEONARD D. RICCIO
Certified Public Accountant

Franklin Public Library

REPORT FOR 1963

Another busy year has passed with library services provided for the city and its surrounding area. The material circulated continues to be a variety of books and magazines, principally, but includes also numerous pamphlets, pictures, maps, and films. The year's total circulation proved to be 50,813 items. The children's room circulation was 17,419 of this total. While the entire circulation is slightly less than that for the previous year, it is a situation reported in several New Hampshire libraries, for no apparent reason. Weather conditions and school assignments always have an effect on library circulation.

The library has added 823 volumes which, after the discard of 399 worn-out or outdated books, leaves the library with a collection of 32,467 cataloged volumes. The year's reading still remained 7.66 per capita, with that per borrower 14.7 books. The reading interest has been divided as follows: 37.3% adult fiction, 28.5% adult non-fiction, with the children's room reading at 34.2%. The Memorial Book Shelf received seven additions. The newspapers in the reading room number 9 daily or weekly papers, with 116 magazines received by subscription, and 46 coming as gifts. It will surprise some readers to know that magazine circulation runs high, 3000-4000 annually, with this year's total being 3,711. New registrations have numbered 506, of which 105 have been non-residents. There have been 188 inactive borrowers' cards withdrawn, leaving the active list at 4,023.

The observance of National Library Week was celebrated by the use of posters and bookmarks and displays of current books. The year's slogan was THE FIFTH FREEDOM - READ. One evening during the week, the excellent colored movie, TELSTAR, was shown in Library Hall through the cooperation of the New England Telephone and Telegraph Company and Mr. Clayton Boyd of Laconia. An anonymous donor has presented the library with three volumes completely describing the remarkable Telstar project. Mrs. Dempsey, Mrs. Krueger and the librarian attended the National Library Week luncheon at the Highway Hotel in Concord when Mr. and Mrs. Lorus Milne of Durham, co-authors, were speakers.

The State Library system of interlibrary loans is in constant use when our library does not have what is wanted. This is shown by the fact that we borrowed 169 titles and that we were able to loan 36 titles needed by other libraries. Another State Library service of which we make much use is the call of the Bookmobile. On the average of every ten weeks an exchange of books is made and 1963 provided us

with 1479 additional books, adult and juvenile. We also profit from the loan to us of groups of timely books on special subjects.

The Canadian Government Travel and Wildlife movie films are much appreciated in Franklin and neighboring towns. These borrowed color films had 92 showings to 3340 viewers. The story hours on the last Saturday mornings of the month were enjoyed by many children eight times during the year. Mrs. Krueger has planned and conducted these story hours and is sometimes assisted by Senior Girl Scout.

Something is constantly to be seen in the glass-topped exhibit case at the library. Several historical exhibits were arranged jointly by the library and the Abigail Webster Chapter D. A. R. Other exhibits have been quartz gems cut from local and foreign quartz by Lawrence C. Rising of East Andover, coin and stamp collections, Girl Scout souvenirs from their Mexican trip, local and aerial pictures to honor the J. P. Stevens Company on its 150th Anniversary, and a fine group of annual TB seal sheets from Denmark loaned by Ernest L. Schwartz. Also a chart and pamphlet display on the New Hampshire State Program on Alcoholism was shown. A Contemporary Arts collection of books in the Reading for An Age of Change program was displayed one week in the Public Service window.

Book Week again coincided with Education Week in the schools, but a schedule for library visits was worked out by Mr. Ross of Rowell School. There was a total of 493 children and 18 teachers as visitors by classes who took advantage of the opportunity to enjoy the new books on reserve during that special week. Bookmarks were distributed.

The Franklin Woman's Club and the Golden Glow Group have met regularly at the library, but the GGGs disbanded in the fall after several years of meeting twice a month, the year round, in the Draper room. It is hoped that some means of reorganization may be found for them.

Several Shieling Trust group meetings have been attended by the library staff, sometimes by trustees. Now that the group purchase of books has been completed, to the extent of the Shieling grant of \$1000 about three years ago, the books have been divided among the five member libraries. Any books in this group, held by the other four libraries, may be borrowed by us when desired. Our current holding includes 35 titles, most of them unusual and expensive books not possible to own otherwise.

The library was glad to have on display last spring a set of Britannica Junior encyclopedia, placed there by the publisher's represen-

tative, Mr. Szwed. After two weeks of display, a drawing of names awarded a set to a Franklin family, Mrs. Grace Brailey and her daughters. They were delighted with their good fortune.

The trustees and the librarian have been active in library matters other than in Franklin. Mrs. Dempsey and the librarian attended a State House hearing on House Bill No. 306, an act to establish a state-wide library program. Mrs. Krueger served on a panel discussion along this line at a meeting in Laconia. The librarian attended the fall meeting of the New Hampshire Library Association held in Durham at the University and an all-day Reference Workshop held at the State Library in November.

A wonderful addition to library equipment and efficiency was the installation of an electric book elevator between the first floor and the basement. In early summer the walls of two reading rooms and the lobby were painted, also several radiators and the aluminum on the roof. A hot-top walk was laid from the back door across a short strip of lawn to the old heating plant roof, which is the way to the parking area back of City Hall, where the library has an assigned parking space. This improvement is much appreciated by the entire staff.

Acts of vandalism and rowdyism forced the trustees to close the library evenings for two weeks in late September and early October. Another problem for the trustees was the annoyance of doves over the main entrance. Fitted boards driven full of 3-inch nails by Mr. Colcord and Mr. Tilton, faithful custodian and caretaker of the grounds respectively, and installed with the aid of high ladders, have helped the situation.

Late in November word reached the trustees that the Franklin Public Library is to be the New Hampshire recipient of the 1964 Book-of-the-Month Club Library Award, a \$1000 check for the purchase of books. Nation-wide, there is to be a Main Award of \$5000 and nine \$1500 Honorable Mention Awards, also thirty-five \$1000 State Awards like the one Franklin is to receive. All of these Awards will be presented to the winning libraries in afternoon ceremonies on April 12, 1964, the first day of National Library Week.

Summer hours were in effect from the closing of school in June until the schools reopened in September. Regular library hours were resumed except that the closing hour on Saturday was changed to 4 p. m. Many friends have remembered the library with gifts of books, historical items, local pictures, music, and gifts of money, additions having been made to some trust funds.

The Journal-Transcript and the Concord Monitor have given appreciated publicity to library matters. When required, the repair of

Canadian films at Franklin High School has been an accommodation to the library.

The Board of Library Trustees has remained the same, also the library staff with the exception of Anne Keegan, high school page, who gave up her work with us early in January. In June, Mrs. Benjamin Stein took over the page duties and is serving the library with satisfaction.

The trustees and the entire library staff are interested in serving the community acceptably. They endeavor to do so to the extent of the resources provided by the City. Appreciation expressed by the public for library services received makes such efforts worthwhile. For several years, shelf space has been crowded and grows more so. An addition to these facilities will become imperative in the very near future and should be planned for accordingly. Library service will become better with larger quarters for books.

Annual Report of the Superintendent of Schools

NEW SECONDARY FACILITIES

With the completion of the addition to the Junior-Senior High School a tremendous deterrent to a good secondary education program was removed.

Make-shift arrangements have been discontinued, there is now adequate space for our enrollment, and the facilities having been designed to serve specific functions are doing this very well.

Certainly next to the teaching staff itself, the adequacy of the buildings that serve the purpose of education are of prime importance.

The addition, I am sure, will make a real contribution to the education of Franklin Youth for many years to come.

TRANSPORTATION

We are transporting 700 pupils to school each morning and home again at the close of the school day. This number is taxing the facilities of the four buses we have for transportation. However, by adhering to school board policy, that only those pupils who live more than one mile from school are entitled to ride, transporting 700 pupils in the a. m. and p. m. is possible within a reasonable amount of time.

During the school year 1962-63 our transportation system was operated at a cost of 23 cents a mile. This compares with 20 cents a mile for 1960-61 and 1961-62.

The increase of 3 cents a mile was brought about by an increase in pay for the bus drivers and the high cost of operating one eleven year old bus.

Ownership is economical in this area of school costs since our costs are one half of what contracted costs would be for this service. Each transportation dollar from September 1962 through August 1963 was spent as follows:

Parts, tires, labor	25c
Gas, oil, grease	11c
Depreciation	18c
Insurance	4c
Drivers	42c
	<hr/>
	100c

FINANCE

Below are given the Franklin School Department Budgets for the past four years:

1960	\$416,017.37
1961	\$430,884.65
1962	\$450,832.82
1963	\$485,271.35

To not go beyond this would cause one to believe that costs of education in Franklin are rising very rapidly.

We must, however, look at our enrollments to know what is causing these continual increases in money requirements.

Below is an enrollment chart for the Franklin School children for the past four years:

1959-60	1136
1960-61	1209
1961-62	1276
1962-63	1294

Beyond this last figure could be added the 1963-64 enrollment of 1415.

When the money available each year is spent on the number of children that we must provide for, we then get a cost per pupil over the past four years as follows:

COST PER PUPIL

	Franklin		
	Franklin High	Daniell Jr. High	Elementary
1959-60	\$506.79		\$275.44
1960-61	483.03		278.20
1961-62	441.48		272.61
1962-63	421.43	\$303.39	282.23

During this same period of time the average costs of education per pupil for the whole State of New Hampshire was:

	High Schools	Jr. High Schools	Elementary Schools
1959-60	\$399.00		\$262.00
1960-61	436.00		265.00
1961-62	457.00		279.00
1962-63	449.00	\$385.00	295.00

After studying what our budgets must do in view of increasing enrollments it becomes clear that while the total amount of money being spent for education in Franklin has been going up each year when put to work for each child to be educated there is less each year for each child.

REPAIRS & MAINTENANCE

This is an area of work that is never done. I am pleased to report that in this area we are keeping up with our repairs and maintenance. When repairs are needed we have been able to meet them as they occur and over the past four years we have experienced some gains in repairing equipment that had gotten ahead of us.

For example, during the past four years the steel work for our bleachers at the athletic field have been cleaned of rust and corrosion and have been repainted. Seat planking on eight of the ten sections have been renewed.

At Rowell School an additional area of playground was graded, loamed and seeded. Also a large rock in the playground area was blasted below ground level to remove a source of injury to the children using the playground.

The interior corridors of the Junior High School were repaired and repainted this past summer adding considerably to the appearance of the Junior High School.

LOOKING AHEAD

It seems in looking at our educational system and looking ahead that the major problem confronting us, as in many other school districts, is how to secure the necessary funds to enable us to attract and hold good teachers on our staff.

A reasonably stable staff lends itself to the study of local problems, the laying out of ways to meet these problems, and finally working them through to a solution.

Staff members have the most important part in this whole educational process. It is they, far more than building, books, paper and all other necessities of education, that makes a successful educational system.

We must find the finances to get and keep a good staff.

Attached to and a part of this report are the reports from our school principals and supervisors summarizing the work in their field for the year 1963.

Report of the School Nurse

What is health? We might first look at the children in the schools of our country. In degree of health they vary from the crippled child to the varsity athlete. We have been informed that the health of our children and youth has never been better than it is today. Public health services are preventing many adverse conditions, detecting others before they become serious and finding ways to bring children under care. Health education of children, parents and community is producing results, and it is for this reason, I shall endeavor to explain to you how we have tried to carry on the health services for the benefit of your children.

Any area that desires to eradicate tubercle bacilli, whether it be a community, state or nation must start with the children. The periodic testing with tuberculin promptly detects those who become infected and often leads to the source in an adult associate. Our Tuberculin Testing Program includes students in grades one, four, eight and twelve every year. On March 21, four hundred and ninety-two children, fourteen teachers and nine lunchroom workers received the Tuberculin Test. Seven children received a positive reaction to the test and were xrayed, no active tuberculosis was found at this time. But these children will receive an x-ray from time to time.

As part of the new athletic program the N. H. Mobile X-ray Unit visited the Franklin High School in November. One hundred and four x-rays were taken and eleven students received their chest x-rays elsewhere. Other phases of this program consisted of: one hundred forty-four students received two c. c. of tetanus vaccine. One hundred and fifty urinalysis were checked by the nurse and one hundred and seventy-one students were examined by Dr. Morin.

Our annual Toxoid Clinics co-sponsored by the Franklin School Health Department and the Franklin Visiting Nurse Association were held during the months of March, April and May with 330 children participating. Many of our kindergarten children are inoculated by their own physician. This clinic is available for pre-school, kindergarten and first grade children.

A make-up Sabin Polio Clinic was held this spring for all those children who missed type III and type II vaccine at the Polio Clinic of 1962. Seventy-two students received type III vaccine and eighty-five students received type II vaccine. Another polio clinic was held in October due to the outbreak of Polio in Quebec. Forty school children received type IV vaccine.

Our annual pre-registration clinics were held on May 6, May 7 and May 8. One hundred and nine children were registered and papers were sent home to fifteen parents who were unable to bring their children to the clinic. The children were weighed, measured and a vision test was given. Due to the lack of space we were unable to administer the hearing test. These children also receive a physical examination by their own physician prior to entering school.

Eight baskets of food which were donated by the pupils of Daniell Junior High and Senior High Schools were delivered at Christmas and at Thanksgiving.

In addition to the above mentioned services, conferences were held throughout the year with teachers, pupils and parents.

I wish to take this occasion to express my sincere gratitude to all persons and all organizations who have in any way contributed to the Franklin School Health Program.

Respectfully submitted,

MARION MOYNIHAN, R. N.
School Nurse

RESOLUTION
NO. 10

In the year of our Lord one thousand nine hundred and sixty-three.
A RESOLUTION RELATING TO BONDS FOR THE ENLARGEMENT
AND IMPROVEMENT OF THE WATER WORKS SYSTEM

Resolved by the City Council of the City of Franklin that:

1. A public work and improvement of a permanent nature is hereby authorized, namely, the enlargement and improvement of the water works system in the following manner:

construction of two gravel packed wells near the flood control dam, construction of a pumping station and controls, estimated cost of which is \$91,000;

the laying of approximately 2000 feet of ten-inch pipe from said wells to North Main Street, the acquisition of land for said pipe line and installation of electric lines to said pumping station, the estimated cost of which is \$9,000;

construction of a pumping station on land of the City on Babbitt and New Hampton Roads plus controls, the estimated cost of which is \$19,000;

laying approximately 3,000 feet of eight-inch pipe from said pumping station to Sanborn Street, at an estimated cost of \$10,500; and erection of a steel stand-pipe with a 500,000 gallon capacity on land of the City on Cross Street, including controls and connections, at an estimated cost of \$62,500;

2. The sum of one hundred ninety-two thousand (\$192,000) dollars is hereby appropriated for the aforesaid water works system improvement project, said appropriation to be raised to the extent of one hundred eighty thousand (180,000) dollars by borrowing as hereinafter

provided and the balance of twelve thousand (12,000) dollars is to be paid from Available cash on hand in the water department account;

3. There be and hereby is authorized under and pursuant to New Hampshire Revised Statutes Annotated, Section 33:5-a, and any other enabling authority, the issuance of serial, coupon bonds of the City of Franklin aggregating one hundred eighty thousand (180,000) dollars in principal amount. Subject to applicable provisions of law and of this resolution, discretion to fix the date, the annual maturities, place of payment, interest rate, for and other details of said bonds and or providing for the sale thereof is hereby delegated to the City Treasurer with approval of the Mayor provided, however, the term of said bonds is not longer than fifteen years from the date thereof;

4. The proceeds derived from the sale of said bonds be and they hereby are appropriated for the purposes set forth in the first paragraph of this resolution as specified therein, provided, however, any premium arising on such sale, less the cost of preparing, issuing and marketing the bonds shall be applied to the payment of the principal of the first of said bonds to mature; and

5. It is hereby determined that the said water works system improvement project will have a useful life in excess of twenty years.

RESOLUTION NO. 12

In the year of our Lord one thousand nine hundred and sixty-three. A Resolution authorizing filing of application with the United States of America for an advance to provide for the planning of public works under the terms of Public Law 560, 83rd Congress of the United States, as amended.

WHEREAS, the City of Franklin, New Hampshire (herein called the "Applicant") after thorough consideration of the various aspects of the problem and study of available data has hereby determined that the construction of certain public works, generally described as additions to sewerage system including sewage treatment facilities is desirable and in the public interest and to that end it is necessary that action preliminary to the construction of said works be taken immediately; and

WHEREAS, under the terms of Public Law 560, 83rd Congress, as amended, the United States of America has authorized the making of advances to public bodies to aid in financing the cost of engineering and architectural surveys, designs, plans, working drawings, specifications or other action preliminary to and in preparation for the construction of public works; and

WHEREAS, the applicant has examined and duly considered such act and the applicant considers it to be in the public interest and to its benefit to file an application under said act and to authorize other action in connection therewith;

NOW, THEREFORE, BE IT RESOLVED BY the City Council, the governing body of said applicant, as follows:

1. That the construction of said public works is essential to and is to

the best interests of the applicant, and to the end that such public works may be provided as promptly as practicable it is desirable that action preliminary to the construction thereof be undertaken immediately;

2. That Donald W. Cushing, Mayor be hereby authorized to file in behalf of the applicant an application (in form required by the United States and in conformity with said act for an advance to be made by the United States to the applicant to aid in defraying the cost of plan preparation for the above described public works, which shall consist generally of additions to sewerage system including sewage treatment facilities.

3. That if such advance be made, the applicant shall provide or make necessary arrangements to provide such funds, in addition to the advance, as may be required to defray the cost of the plan preparation of such public works;

4. The said Donald W. Cushing, Mayor is hereby authorized to furnish such information and take such action as may be necessary to enable the applicant to qualify for the advance;

5. That the officer designated in the preceding paragraph is hereby designated as the authorized representative of the applicant for the purpose of furnishing to the United States such information, data, and documents pertaining to the application for an advance as may be required; and otherwise to act as the authorized representative of the applicant in connection with this application.

6. That certified copies of this resolution be included as part of the application for an advance to be submitted to the United States.

ORDINANCE

An Ordinance relating to the parking of motor vehicles on the streets and in the parking areas of the city.

In the year of our Lord one thousand nine hundred and sixty-three.

Be it ordained by the City Council of the City of Franklin, as follows:

1. No person owning or operating any type of motor vehicle or other vehicle, or having in his or her charge any vehicle, shall cause or allow said vehicle to remain standing or parked within the limits of any street or any public parking area in the city, excepting a certain area in the Church Street parking lot as designated by signs erected from time to time by the police department, permitting overnight parking in said posted area between the hours of 11:00 P. M. and 8:00 A. M., in such manner that said vehicle will interfere with or impede the plowing of snow from the surface of said street or parking area, between the hours of 11:00 P. M. and 6:00 A. M. during the months of January, February, March, April, November and December.

2. Any vehicle parked in violation of the provisions of this Ordinance may be towed away by the City or its agents to a suitable location and held there until a reasonable cost of said removal shall have been paid to the City, as well as a storage charge, if said vehicle shall not be reclaimed within twenty-four (24) hours of its removal.

3. An Ordinance relating to the parking of motor vehicles and carriages on the streets of the City proper, passed on December 2, 1940, is hereby repealed.

4. Any person convicted of violating the provisions of this Ordinance shall be fined not more than twenty dollars (\$20.00).

AMENDMENT TO ORDINANCE

Amendment to an Ordinance relating to the creation of a Park and Recreation Commission.

In the year of our Lord one thousand nine hundred and sixty-three.
Be it ordained by the City Council of the City of Franklin, as follows:

Amend Sect. 1. of an Ordinance relating to the creation of a Park and Recreation Commission, as passed January 4, 1954, by striking out the whole of said Section and substituting in place thereof, the following Section:

Sect. 1. There is hereby established in the City of Franklin a Park and Recreation Commission. This Commission shall consist of five (5) persons serving without pay, who shall be elected at the January meeting of the City Council. The term of office shall be for five (5) years, and until their successors are duly elected and qualified, except that the four (4) present members of the Park and Recreation Commission shall serve the unexpired portions of their terms as members of the Park and Recreation Commission. At the January, 1964, meeting of the City Council, one (1) member of said Commission shall be appointed for a term of five (5) years and one (1) for a term of four (4) years. As the term of members shall expire, replacements shall be appointed for a term of five (5) years. Vacancies in such Commission occurring otherwise than by expiration of term shall be filled by the City Council at a regular monthly meeting.
